Dear CGSI participants,

We are looking forward to seeing you this summer at the Computational Genomics Summer Institute! I am writing with detailed information about the accommodations for the long program. **If you no longer need housing during CGSI, please let us know immediately so that we can update our records.**

If you registered for CGSI but have not yet paid your fees, please do so now: https://commerce.cashnet.com/cgsi.

The CGSI long program starts with a retreat at Big Bear Lake, starting on **Wednesday, July 10.** During the retreat, your accommodations will be provided.

In order to take the bus to Big Bear Lake, **please arrive in Los Angeles and to campus <u>by noon</u> on Wednesday, July 10.** Note that <u>housing is not provided on July 9</u>; if you arrive that day, please find your own accommodations. *You will receive more information about your arrival and the bus closer to the date.*

From **July 13 to August 3**, you will stay at the **Phi Kappa Psi House** (see picture below). The house features dormitory-style rooms, indoor and outdoor common areas, a game room, a dining area, and private study rooms. It has laundry facilities (complimentary), air conditioning, and wifi. It is adjacent to campus, and a short walk to the CGSI venue and to Westwood Village.

There is a communal bathroom with five showers on one floor; on the other floor, two rooms share one bathroom (with one shower). We will put women and men on separate floors. CGSI will provide bedding and towels.

If you chose <u>double</u> occupancy, you may request a roommate; if you do not, we will randomly assign one to you. You can send us your roommate request by email; your roommate must request you as well.

PARKING: Limited on-site parking is available for $220 for the entire three weeks. If you request more information, we will contact you.

CHECK IN/OUT: The majority of you are attending the Opening Retreat and will **check-in** when the bus drops you off at the house around 4:00pm on **Saturday, July 13**. If you are not attending the retreat, or are driving separately, please check in between 3:00 and 5:00 pm. If you cannot arrive at that time, or plan to arrive on Sunday, please let us know so we can make special arrangements. The address is 613 Gayley Avenue, Los Angeles, CA, 90024.

Check-out is Saturday, August 3, by 11:00AM. They can stow your luggage for the day, upon request.

Please reply to this email with your questions, or visit the FAQ page for answers to common questions.

Please reply to this email if you:
- No longer plan to attend CGSI, or do not need housing

- Want to switch your registration to one of the short programs
- Plan to arrive or depart on dates *other than* July 10 and August 3
- Want to request a roommate
- Have a disability that may require an accommodation

Thank you, and see you in July!

Good evening,

I'm excited for the summer institute!

Can you remind me - did you receive my payment? I believe that i've paid for everything - solo housing and institute participation.

Also, where on campus can I meet the bus on July 10 for travel to Big Bear Lake? I'll arrive in Los Angeles on July 9, and I'd like to find a hotel near the bus pickup location.

Thanks again!

fred

PS - do you happen to have an expected date for the whova app access?
